

CNW Volunteer Application
Citizen Wildlife Monitoring Project

This is a form to apply for a volunteer position in the Citizen Wildlife Monitoring Project.

Name

Address (Street Address, City, State, Zip)

Email and Phone #

Circle the volunteer position that you are applying for:

TEAM LEADER

TEAM MEMBER

SOLO CAM RETRIEVAL

Circle the type of location that you are looking for (*description of each below*):

DAY TRIP

OVERNIGHT/MULTIPLE DAY TRIP

Please indicate both your interest and capability for a hike (*remember you will be carrying gear with you for the camera station & potentially camping for overnight trips*):

1-5 miles

5-10 miles

Over 10 miles

Please indicate the geography of the state that you are interested and capable of engaging in a team in. (*Remember a commitment will involve more than one visit to a station if you are on a team*)

OLYMPIC PENINSULA

I-90 CORRIDOR (CENTRAL CASCADES)

E. CASCADES NORTH OF HWY 2

BRITISH COLUMBIA S. CASCADES

SOUTH WA CASCADES

NE WASHINGTON

Please take this section to provide an explanation of any experience you have had with this program in past season's, other wildlife monitoring efforts, and outdoor experience. *Feel free to continue writing onto the back-page of this form.*

Cont. of last question on Pg. 1

Is there a specific species that you are interested in monitoring? *Please note that we strategically select the species of focus each year, but we will consider any interests that you have in placement.*

Please use this section to either tell us anything else that you think we would find helpful in looking at your application, and to provide feedback on our program.

***Thank you for your interest in our program!
Our volunteers are the only way that this program is possible.***
